Variety	100% welschrisling
Alcohol V/V	12,74%
Sugar free extract g/l	25,4
Total acid g/l	6,0
RS g/l	0,9
pH	3,41
Production (bottle)	2400
Yield	1,4 kg/vine

**Vinification** After careful hand harvesting at the end of October, natural fermentation in 1000l Hungarian oak barrels.

**Maturation** 10 months in used 1000l oak barrels, then another 24 months in airtight maturation tank.

**Tasting note** It is the largest grape variety produced in Hungary, which is very good in Somló. It is almost always the last member of our cellar to be harvested this season, which, in addition to its beautiful alcohol, shows the flavor of ripe white fruit and apricots, and the end of the sip is characterized by concentrated aromas of nuts, walnuts and almonds and unavoidable salinity.

**Available since** March, 2022
