Tasting note	<ul style="list-style-type: none">· Clear, straw yellow color· The smell is pleasantly fruity, green and yellow apples, lime peel, and some pineapple can also be detected. Fresh grass and nettle give the wine extra freshness. (light leather, animal line, which can be discovered in so many of our wines)· Dry wine, with bright acids and a slightly high alcohol content· When tasting, the fruits seem somewhat more ripe, the taste is more reminiscent of yellow apples, white-fleshed peaches, and pineapples· The salty aftertaste characteristic of Somló also appears in the finish Overall, it is a lively, fresh wine that can be a great food accompaniment, especially for salads and light dishes made with seafood.
